

A long, long time ago -

Dragons were worshipped like Gods

Dragons.

Colossal birds that connected the sky and the land

When one lifted its lofty head,
your field of vision would be
swallowed

When one whipped its mighty horns,
lightning would flash

With a single flap of its wings,
they say it could decide the
life and death of all creations

Great things are explainable by the laws of this world.

But now, they are mere legends in the records of mythology

ping

So you were feeling in this
kind of place.

SWACK

DOOR

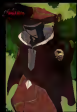

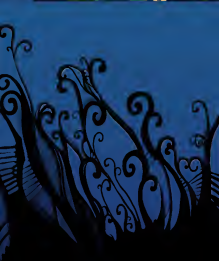

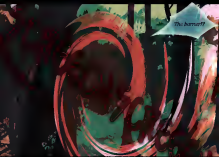

...considering he's some sort of wizard

Of course
Zyand's Tong-Ki is
not good enough

And they say, when you obtain
the power of a dragon within your hands,
you will move all humans.

Was that...
the sound of the wind?

One day,

there began the story of a girl

who faced the last dragon on Earth

All times, we are forced
to accept choices that are out
of our reach to change.

And

"Who would you
like to live with,
mommy or daddy?"

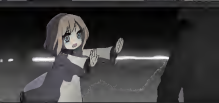

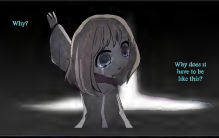

there are times when
the choice we want
does not exist.

Even though it may be something very important to me...

Can't we all
live together?

The question was locked
away without an answer,
in a deep place together
with the past.

It was a
piece of the
past that I had
long forgotten.

Perhaps it's
because I'm now
in this place.

Ahi

They've already
started!

Well, there, so far
from home, too!
Better get out there
quick too

step step

To to to

People seemed
to have viewed my
parents' breakup as
something evident.

So they've parted.

I told you it
wasn't going to
last long.

When can we
meet brother and
mommy?

Well...
I don't know.

But what
made me even
sadder...

Now, our
daughter
High, higher!

Kya!

I wasn't able
to do anything.

And when I think
about it, the reason I
started gliding...

was because I thought
I could reach the
academy within the
royal capital all
by myself,

with the hope that
everything would work
out once I met her...

I recklessly
set out for
a journey

that would
have taken
several months
on horseback.

Of course,
I didn't get very far
before I crashed

Reana!

Dad

It's a relief...

...that you're safe...

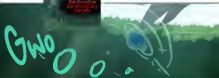

What an amazing tree!

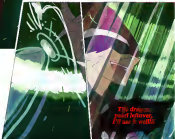

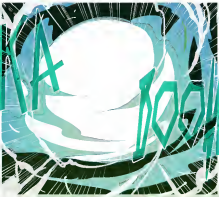

The dragon
will die.

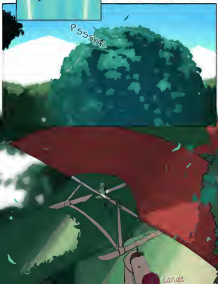

To me, this
is merely one
'dab' of mine
breaking.

The dragon
said leftover,
I'll use it well!

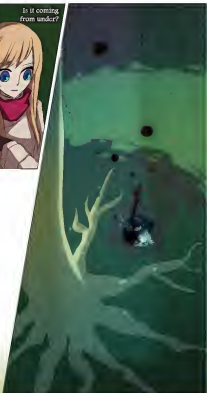

There's something
wrong about this...

Is it coming
from under?

That child...

...parting so heavily,
sinking in that black,
crimson smoke,

still clutched
onto that
glowing pearl,

unleashed a flame
so blue it could
make you shiver,

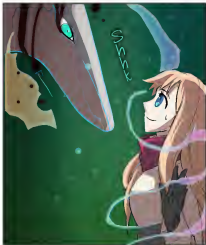

and existed at that place.

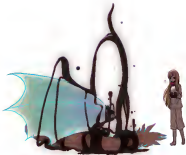

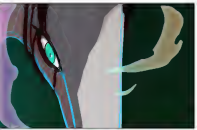

The grass
around it
is dead.

OH HUMAN WITH
A WARM HEART.

THIS DRAGON IS
DYING BECAUSE OF A
VERY FATAL POISON.

Dragon?

THE NAME OF
THE POISON IS
"THE BITTER BRIMBLE."

IT IS THE ONLY POISON
THAT CAN CAUSE THE
DEATH OF A DRAGON,
A PURE CREATURE.

THIS TORTUROUS
POISON THAT
STEALERS FROM
HUMANS

CAN ONLY
BE HEALED
THROUGH
HERBS AS
WELL.

WITH
A BIT OF
YOUR HELP,

THIS DRAGON
CAN BE SAVED.

'Purification.'

I just realized that...

But there's a strange
tattoo on my hand that
I've never seen before.

because of
your overflowing
goodwill, my master
has recovered
his health.

as a humble
servant,
I cannot hide
my joy of this.

ah, you
were the voice
that gave me
those commands
a while ago.

yes,
I am called
Osborn.

please, ask
me anything.

what happened
to that
dragon?

is it safe?

because
why?

but how
could those
help to you.

Let me make
an oddball
introduction
once more.

'the dragon pearl'

is a bead that contains
the life and all the
powers of a dragon

the dragons power
is the dragon
pearl's power

without the pearl,
the dragon can no
longer be a dragon

AND THAT REALLY
IMPORTANT ITEM HAS
FUSED WITH ME...
IS THAT WHAT
YOU'RE SAYING?

I was
only planning
to temporarily
place it within you
to relinquish the
poison, not...

the way
society is ended
up like this

Lord Rurak
will become
a full pledged
adult in one
year.

and as soon
as he does, he
will completely
master the
powers of the
spell.

I don't want the
girl to live with
Lord Rurak and
live in perfect

and we will
be able to
return to
your body.

when that
time comes, we
will take the power
out and leave.

so I beg of you,
may you please
stay with my
master for one
year?

Without you,
we're useless...

we will do
our best to make
sure we do not
interrupt your
early life.

At that time, I
was just a very
ordinary girl,

I'll go go.

So I didn't
understand what
the words 'dragon'
and 'dragon pearl'
signified.

I don't know
anything
important.

And it seems
important to you,
so...

Or even about 'purification'...

thank you!!

But even so,
the reason...

Dragon,
Swordsmen.

There is no
other location
to hide the
dragon pearl.

you should
focus on simply
becoming a
full-fledged adult.
Look Kaku.

I'M BECAUSE THE
DAUGHTER OF BOY
FOOTED PLANNED TO
MEET YOU

...I was not
hesitant to lend
him my hand
was.

if

I had gone back in time to
the moment I first saw him,

would I have done something different?

Would I have

taken my hand away?

I met him.

Like you.

No matter how many times
that moment may repeat,

the choice I desired...

So I must bear it.

All of this.

STILL, THE IMPORTANT CONCEPT OF THE DRAGON WORLD IS STILL BEING PASSED DOWN

SO I WILL TELL YOU ABOUT IT.

SOMETHING INCREDIBLY POWERFUL, WHICH YOU CANNOT HOPE TO UNDERSTAND WITH THE LAWS OF THIS WORLD

THAT IS A DRAGON.

THIS CHILD WAS GOT BOY BY JUST BEING NEAR A LOT OF PEOPLE

ANOTHER THING IS
WILL POWER

USUALLY, THE
DEMONS ARE PURELY
MENTAL BEINGS

BEINGS THAT ARE NOT
PHYSICALLY BOUND
ANYWHERE ELSE

An infographic featuring a central vertical line with four circular callouts. The background is a deep blue ocean with a large, dark, swirling jellyfish-like shape in the upper half. In the lower half, a small, dark, rocky island with some green vegetation sits in the water. A white jellyfish is positioned to the left of the island, with its tentacles reaching down. The callouts are connected to the central line by thin white lines. The text in the callouts is white and uppercase.

THE ONLY DEBATOR
THEY TAKE ON THEIR
PHYSICAL FORM AND
PARTICIPATE IN THE

IT'S

THEY CULTIVATE AND

OH... WHAT ABOUT
THE OTHER
DRAGONS THEN?

KARRAK IS STILL
YOUNG

THERE ARE
NO OTHER
DRAGONS?

BUT WHAT IF I WAS THE LAST HUMAN BEING
LEFT ON EARTH?

AND IT'S NOT A GOOD
IDEA TO USE "PURITY"
TOO OFTEN.

WHAT?

PURITY TAKES THE LIFE OF THE USER.

IT IS ACTUALLY VERY DIFFICULT
TO FIND A HUMAN LIKE THIS WHO
IS WILLING TO HELP, WHILE NOT
TRYING TO POSSESS THE POWER
OF THE DRAGON PEARL.

IT'LL BE NICE IF SHE COULD

It's a very good idea to have a good idea of what you're doing. If you're not sure, it's better to ask for help than to try to do it all by yourself. This is a very important rule to follow, and it's one that you should always remember.
